

High School Students!

Test your smarts in the
Delaware Brain Bee 2018
The coolest bee around!

It is like a spelling bee, but you are tested on your knowledge of the brain.

The winner gets an expense paid trip to the National Brain Bee competition to be held March 16-18, 2018.

You are not required to take a course, just register and study the free “Brain Facts” guide and downloadable materials available on the web.

The competition day is Saturday, February 17th, 2018 from 9 am – 1 pm at Delaware State University.

We will also have fun demos and illusions to give you an insight into the workings of your brain.

For more information and to register for the competition visit
